**Great quality camera**  
I could not review to my friends, but I had easy to start working with but after that it is a good camera with a great quality. I would recommend this camera. Don't look to waste.

**WiFi 802.11n-802.11g**  
Thank you for your service, the best quality. I would recommend this.

Great product and value, features for the money, you will not be disappointed! Review Title

Your Review

Great quality, features for the money. Awesome to get a live clear view of my cat at home night or day or get a notice when my spouse gets home while I'm at work.

I will appreciate your five stars and positive review, which are of vital importance to the growth of our company, we would like offer discount if you place more order in future.
